

SHARE YOUR EXPERTISE FOR A GOOD CAUSE.

Apply to be a Coach for StoryGrowing WNY.

Across Western New York, we have so many non-profit organizations that are doing amazing work in our community. Many need help telling their stories. That's where StoryGrowing WNY comes in. Through a six-month communications capacity-building program, non-profits selected through an application process will learn how to better "tell their story" in order to communicate their mission, need, and impact in order to nurture their growth.

How you can help.

StoryGrowing WNY is currently looking for marketing and communication specialists to be subject matter Coaches. Each participating non-profit will have an allotment of hours to consult with the Coaches of their choice, depending on their organization's needs. Once contacted, you will work directly with a small team and share best practices in your area of expertise. The specific time commitment may vary depending on how many teams contact you for coaching, and how often they contact you. Coaches are expected to guide and share expertise and advice, rather than specifically execute projects.

POSITION DETAILS:

- Time commitment: February–June 2019
- Hours are not guaranteed; will fluctuate based on requests from participating organizations
- Coaches are encouraged to attend at least one program workshop
- Compensation: \$75 per hour
